David, thanks for the letters. I have left a message for Bud Cribley. BLM and just spent 20 minutes on the phone with ADNR Deputy Commissioner Fogels. Trying to get ahold of ADEC Commissioner Hartig or Deputy Edwards now - I will ask them to reach to the Governor's Office if they see fit. D

Dianne and Bill -- I have signed the two letters and let David Hobbie know what to expect. Electronic and hard copies of the letters should be hitting EPA's outboxes shortly. You are now free to launch your outreach. Attached is a slightly updated version of the talking points I sent earlier.

Marianne - for your awareness only. Should we get press calls, we should refer folks to the text of the letters themselves.

Thanks David - For clarification - do I need to wait until the letters are signed to reach out to my assigned contacts?

Dianne and Bill - Here's a first cut at talking points for you two to use with your state contacts later today. Please let me know if there are aspects of this that you want me to develop further. Both letters are still going through final revisions. I'll let you know when these actually get signed/sent. (Probably after 3:30 today).
